About DELTA:

The purpose of forming the Delta Association was to strengthen the citizens, civic initiatives and civic associations in the Republic of Croatia in order to strengthen their influence on the social processes and development of the democratic and civil society through information, counseling and training.

Delta today is carrying out projects aimed at strengthening the capacities of civil society, on non-institutional youth education in the area of civil rights and on informing citizens about Croatia's membership of the European Union. From 2010 to 2015, Delta organized the Liburnia Film Festival - the Festival of Croatian Documentary Film, and is today a partner of the same association. Delta is a regional partner for national and regional organizations dealing with the development of a democratic society and is also a member of the Croatian Youth Network and the LAG of Liburna.
