LEARNING MATERIALS for Vocational Mentors in Creative Work

Unit 9

Partner name: NGO PROSTOR PLUS

TME open source platform offers a learning environment to provide anybody who is working in this field with a range of accessible materials and resources for their professional development. The learning modules were piloted by organizations in 6 cities, and are mapped against the European Qualification Framework at levels 3 to 5. TME is about “learning by doing”, so all the materials include practical supporting activities applying the learning to the context of your work.
