

Module 1

Introduction to social entrepreneurship

Exercises from Lesson 2

1. Think about the social enterprise you have created in exercise 2, on the first part.
 - a. How would you run (govern) this enterprise? Which body of governance would you create for this enterprise? Account for your response
2. Who do you think would be the most appropriate person/people to manage the enterprise? Explain what management system you would implement in your enterprise and what people would be part of it, highlighting their role and tasks associated to each one of them.
3. Do research on internet searching for different funding possibilities for the creation of a social enterprise. List them
