

Games for the development of a team

| | |
|--------------------------------|---|
| Link to digital tool | INSPIRE Serious game |
| Level of knowledge | Basic general knowledge |
| Learning objectives | Know how your skills can help you succeed in social entrepreneurship. |
| Linked to module | 5 and 3 |
| Description of the tool | The INSPIRE Serious game is an innovative psychometric serious game which can show you your main strengths and skills, as well as helping you identify what role suits you within a team. Psychometric serious games are games that aim to promote behavioral change by assessing the players' competences and strengths. |

see how each one can use their skills and strengths to improve their work and increase the team's overall efficiency.

This game will challenge the players and enable them to engage in new social initiatives that are aimed at addressing societal problems and overcoming existing challenges in new entrepreneurships and start-ups.

To access the online game, or to download the game on your phone, you can click [here](#).
