## Deambular por los sonidos del paisaje, un paseo por sí mismo.

Paseo sonoro a cargo de Lina Bautista, Paula Bruna y Laura Llaneli, Fundació Joan Miró.

Para pasar de una pista a otra, pausar y reanudar, utiliza el menú de la grabadora.

Cada inicio de pista está marcado en el camino mediante un cordel rojo.

What most people don't know is Fundació Joan Miró is surrounded by **hidden natural places**. Through this sound walk, we guide the visitors to walk around the museum and explore the area. The Paul Klee exhibition is the perfect link between the museum and the surroundings, since the artist's work is mainly related to nature.

## MAP

To explore the surroundings with audio recordings.

The soundwalk suggests going deeper into small places like inside a tree to find **frogs** or **mushrooms**, inside the water to see the **seaweeds** and **slugs**, or up to find **birds** and **nests**, all these kinds of little forms of life that are there all the time but we never notice.
